PLASTIC SHEET COLLATED : 32-65mm (1 1/4"-2 1/4")

**WARNING**

1. Read and understand tool labels and manual. Failure to follow warnings could result in DEATH or SERIOUS INJURY.
2. Operators and others in work area MUST wear safety glasses with side shields.
3. Keep fingers AWAY from trigger when not driving fasteners to avoid accidental firing.
4. Choice of triggering method is important. Check manual for triggering options. **Max 22bar (320psi)**
5. NEVER point tool at yourself or others in work area.
6. NEVER use oxygen or other bottled gases. Explosion may occur.

**CAUTION**

Use high pressure air source, fittings, hoses, and other accessories which meet specific requirements established for MAX HIGH PRESSURE SYSTEM
